

**Ours** A trite fish-out-of-water story about two friends from the midwest who move to the big city to seek their fortune. They become Playboy bunnies, and nothing particularly surprising happens after that. The final 15 minutes are especially cheesy. But at least the Bunnies looked good...

**Saliency** A trite fish-out-of-water story about two friends from the midwest who move to the big city to seek their fortune. They become Playboy bunnies, and nothing particularly surprising happens after that. The final 15 minutes are especially cheesy. But at least the Bunnies looked good...

**Guided Backprop.** A trite fish-out-of-water story about two friends from the midwest who move to the big city to seek their fortune. They become Playboy bunnies, and nothing particularly surprising happens after that. The final 15 minutes are especially cheesy. But at least the Bunnies looked good...

**Int. Gradients** A trite fish-out-of-water story about two friends from the midwest who move to the big city to seek their fortune. They become Playboy bunnies, and nothing particularly surprising happens after that. The final 15 minutes are especially cheesy. But at least the Bunnies looked good...

**DeepLIFT** A trite fish-out-of-water story about two friends from the midwest who move to the big city to seek their fortune. They become Playboy bunnies, and nothing particularly surprising happens after that. The final 15 minutes are especially cheesy. But at least the Bunnies looked good...

**DeepLIFT-SHAP** A trite fish-out-of-water story about two friends from the midwest who move to the big city to seek their fortune. They become Playboy bunnies, and nothing particularly surprising happens after that. The final 15 minutes are especially cheesy. But at least the Bunnies looked good...

**Gradient-SHAP** A trite fish-out-of-water story about two friends from the midwest who move to the big city to seek their fortune. They become Playboy bunnies, and nothing particularly surprising happens after that. The final 15 minutes are especially cheesy. But at least the Bunnies looked good...
