

Ours This is one of those movies where I was rooting for whoever could end the movie the quickest. I wanted to see the cops kill Keaton AND Garcia just to get it over with. Basically, this is the deal--Two cops have to die and a third has to get horrible burns on his face for Garcia's son to get a bone marrow transplant from convicted killer Keaton. Is it worth it? No!

Saliency This is one of those movies where I was rooting for whoever could end the movie the quickest. I wanted to see the cops kill Keaton AND Garcia just to get it over with. Basically, this is the deal--Two cops have to die and a third has to get horrible burns on his face for Garcia's son to get a bone marrow transplant from convicted killer Keaton. Is it worth it? No!

Guided Backprop. This is one of those movies where I was rooting for whoever could end the movie the quickest. I wanted to see the cops kill Keaton AND Garcia just to get it over with. Basically, this is the deal--Two cops have to die and a third has to get horrible burns on his face for Garcia's son to get a bone marrow transplant from convicted killer Keaton. Is it worth it? No!
