Kelly Loeffler claimed in a Dec. 9 Fox News interview that Warnock "said we need to open up the prisons, he said we need to eliminate cash bail." It♦♦s an **attack she** has made repeatedly. Warnock for years has advocated for ending mass incarceration. But rather than simply freeing inmates from prison, he has called for reducing prison populations through measures such as decriminalizing marijuana. On cash bail, Warnock would keep the requirement that people charged with serious crimes be required to post cash bail in order to be released from jail while their cases are pending in court. But he would end that requirement for people charged with nonviolent misdemeanor crimes or municipal offenses. Who wins the Warnock-Loeffler race, along with who wins another Georgia runoff on Jan. 5 between GOP Sen. David Perdue and Democrat Jon Ossoff, will determine whether Republicans keep control of the Senate. Backs ending cash bail for minor offenses Cash bail has been an issue in the 2020 campaign. President-elect Joe Biden proposes leading a national effort to end cash bail, saying it "incarcerates people who are presumed innocent." But bail is more a state and local matter than a federal one. As for Warnock, the pastor of Ebenezer Baptist Church in Atlanta, Fox News on Nov. 24 reported on comments he made in 2018 in support of an Atlanta ordinance. Loeffler♦♦s campaign did not respond to our request for information for this fact-check, but did issue a news release about the Fox News article. The Atlanta ordinance did not entirely end cash bail; it eliminated the bail **requirement** for people accused of nonviolent misdemeanor charges, or city ordinance violations, to post cash bail in order to be released from jail while their cases are pending. Before the ordinance was passed, according to the article, Warnock said: "In the United States of America, at least on paper, you are innocent until proven guilty... . The ability to pay your bond may only mean that you have a thriving drug business We ought to stop separating people from their families just because they're poor." Some seven months after the ordinance took effect, when there was a marked increase in accused offenders not showing up for court, Warnock said: "We've made poverty a crime. We ought to call
